**Carolina Casualty Insurance Company answers the Trataros/Travelers Amended Fourth-Party Complaint in this action as follows:**

**First** Carolina states that it lacks knowledge or information sufficient to form a belief as to any of the new allegations added by Travelers/Trataros, which concern NAS, and which appear in paragraphs 11 and 128 of the Amended Fourth-Party Complaint.

**Second** As to the rest, Carolina reiterates its answer to the former Fourth-Party Complaint, mutatis mutandis, so that references to Traveler's/Trataros' former paragraph 11 read 12, and so on; references to former paragraph 127 read 129, and so on.

**Third** Similarly, Carolina respectfully incorporates, and hereby re-pleads its previously stated cross-claims and counterclaims -- including those against **Travelers, Trataros, Bartec, Dayton, and TEC.**

Wherefore Carolina again requests judgment dismissing the now - amended Fourth-Party Complaint against Carolina and (subject to any necessary bankruptcy-court approvals) awarding Carolina judgment on its counterclaims, or, alternatively in the event any liability is imposed on Carolina, judgment-over for contribution or indemnity on its cross-claims; all with costs and disbursements; and with such other and further relief as is just and equitable.
